

Beanstalk Children's Garden

Step inside this destination garden at KCCG's Swope Park headquarters and join in an adventure where you'll discover where your food comes from!

Visitors engage all of their senses as they see, touch, smell and taste their way through the garden's seven zones. Individuals and group tours are welcomed.

Beanstalk SEEDS

Online Seed Store

Beanstalk Seeds is the perfect way to get your family's garden growing. Hand-selected and tested in KCCG's gardens first, these seeds offer maximum harvest for all skill levels.

Your purchase of Beanstalk Seeds benefits the mission of Kansas City Community Gardens as we work to increase access to healthy food for all!

www.beanstalkseeds.com

Together We Grow

KCCG provides seeds, plants, resources and education that help more than 42,000 households to grow more than 1.5 million pounds of healthy food each year.

Individual & Family Gardens

KCCG offers low-cost plants, seeds and services for home gardeners. Gardeners purchase an annual program membership, based on household income:

- Green Card memberships are \$2
- Yellow Card memberships are \$15
- Orange Card Memberships are \$30
- Blue Card memberships are \$45

Memberships include 10 packs of seeds and a 10-lb. bag of organic fertilizer. Members also gain access to low-cost vegetable transplants, additional seeds, fruit trees, garden supplies, rental plots, tilling services, free workshops and more.

Sign up for membership online:

www.kccg.org/become-a-member

or by visiting our Swope Park Headquarters.

Rent-A-Plot Gardens

Community rental plots are a great solution if you want to garden, but don't have growing space available at home. KCCG manages 9 rental plot gardens in KCMO and KCK with 650 ground plots and raised beds.

Schoolyard Gardens

KCCG's Schoolyard Gardens team partners with schools across the city to establish and support learning gardens. As students engage in all parts of the gardening cycle - from planting to harvest parties, they are inspired to grow a love of healthy foods.

Community Partner Gardens

Community Partner Garden staff collaborate with neighborhood groups, service agencies, communities of faith, health facilities, housing complexes and more, empowering groups to build and sustain food-producing gardens.

Giving Grove

The Giving Grove helps neighborhoods increase their food access and environmental health by planting and sustaining community orchards. An average 15-tree orchard can produce over 12,000 servings of healthy fruit each year!

Interested in a Giving Grove Orchard?

Youth Gardens

Youth Gardens inspire kids to get their hands dirty and grow healthy foods to share with their families and neighbors. KCCG staff collaborate with youth agencies, community centers and other groups to build and support these gardens.
