

EXPLORE THE SEVEN GARDENS IN THE BEANSTALK

VEGETABLE GARDEN

The Vegetable Garden is filled with a rainbow of colorful plants that are jam-packed with nutrients. Stop here to see familiar favorites and discover new and unusual veggie varieties.

FRUIT GARDEN & DEMONSTRATION ORCHARD

From sweet to tangy and crisp to juicy, the Fruit Garden and Demonstration Orchard are filled with fruit trees, plants and bushes that will excite and delight your taste buds.

CURIOSITY GARDEN

You'll need all of your senses for a visit to the Curiosity Garden. Touch, smell, taste and see your way through this garden of fun and unusual plants.

SEED & GRAIN GARDEN

Seeds and grains make up a significant portion of our diet. Learn about the plants that go into many of your favorite foods as you make your way through the Seed & Grain Garden.

HERB GARDEN

The Herb Garden is a feast for your eyes and nose alike. Here, you'll discover plants that are used for a wide variety of purposes – from cooking to fragrances and even medicine.

WATER GARDEN

Step into an urban oasis with a visit to the Water Garden. This inviting garden is home to animals, like fish and toads, and water plants, like papyrus, water lilies, and cattails.

INSECTARY GARDEN

The insectary garden features different types of plants that attract, feed, and shelter beneficial insects that help pollinate gardens and orchards.
